---------------------------	---	-------------	--

PART II – STRENGTHENING THE NETWORK

1. Members of the Edge Cities Network

1.1 New Members

AIM	RESPONSIBLE	TIME	ACTIONS
Getting new members	All partners of the Edge Cities Network	Until further notice	Each Member should contact at least 1 new potential member Nacka will contact Pernik

1.2. Present Members

AIM	RESPONSIBLE	TIME	ACTIONS
Strengthening the information/communication	Getafe	2008/2009	To send out Minutes/Reports shortly after the meetings. Develop a brief e-newsletter to be sent by the presidency to the members between the meetings (every third months) with news about the projects and activities in the Network
	Nacka	2010	The website has been worked upon to obtain a good layout and a better function. An improved User's Guide as well as instructions on how to update the web has been sent to the partners. Each partner should send to Nacka the basic information to present in the web.

			The current presentation (PPT- presentation) should be developed and updated.
