

“ENRÉDATE”
(catch in a net)
WITH GETAFE

“ENRÉDATE”

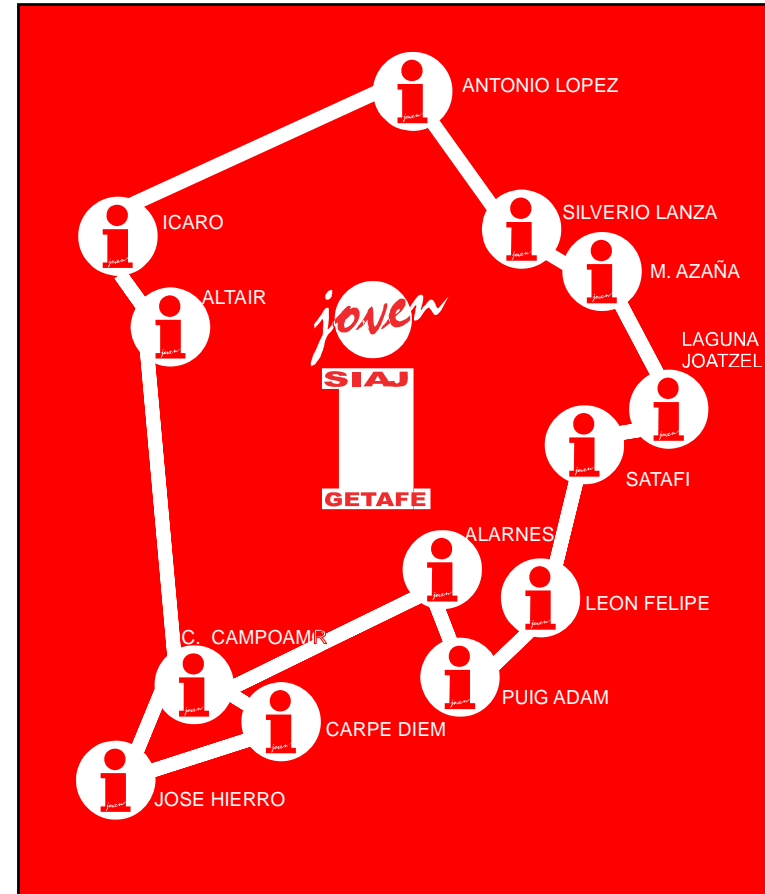

In the emancipation process, information is an useful tool for the social, economical and cultural development for the Getafe’s youth

Youth Delegation through the S.I.A.J. (Youth Information and Advice Service) works with the information from several premises:

1. Real and objective information
2. Update information for youth
3. Cost free status and equal opportunities
4. **DECENTRALIZATION** to bring near the information for youth.

LA RED LOCAL DE PIJ

In 1988 began the first PIJ's net among the secondary centers of Getafe with the aim of improve the information decentralization in the municipality .

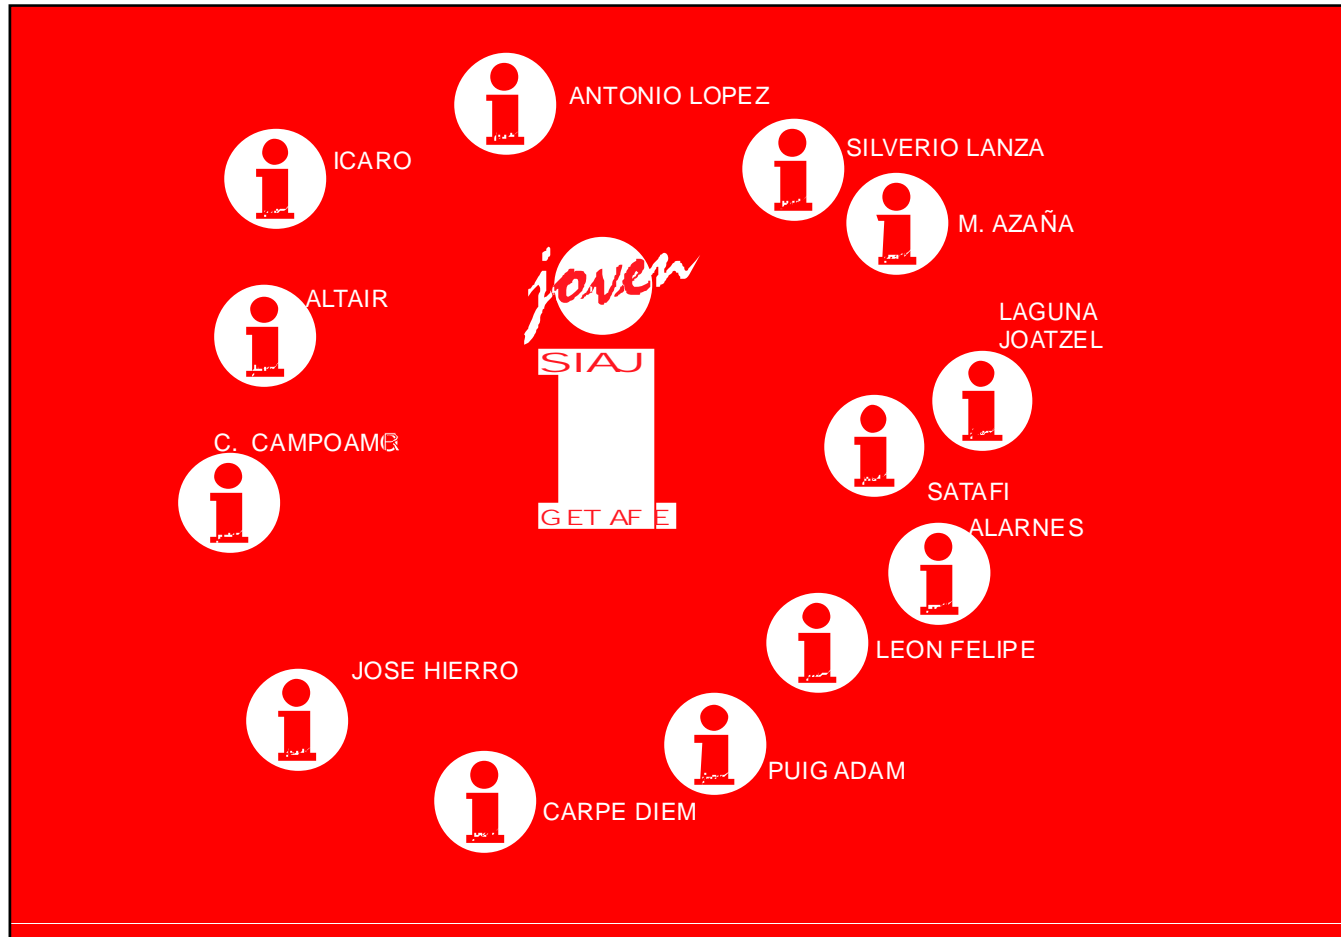

PROPUESTA RENOVADA

In 2009 we present the **Enrédate** (cath in a net) with Getafe, a renewal proposal to:

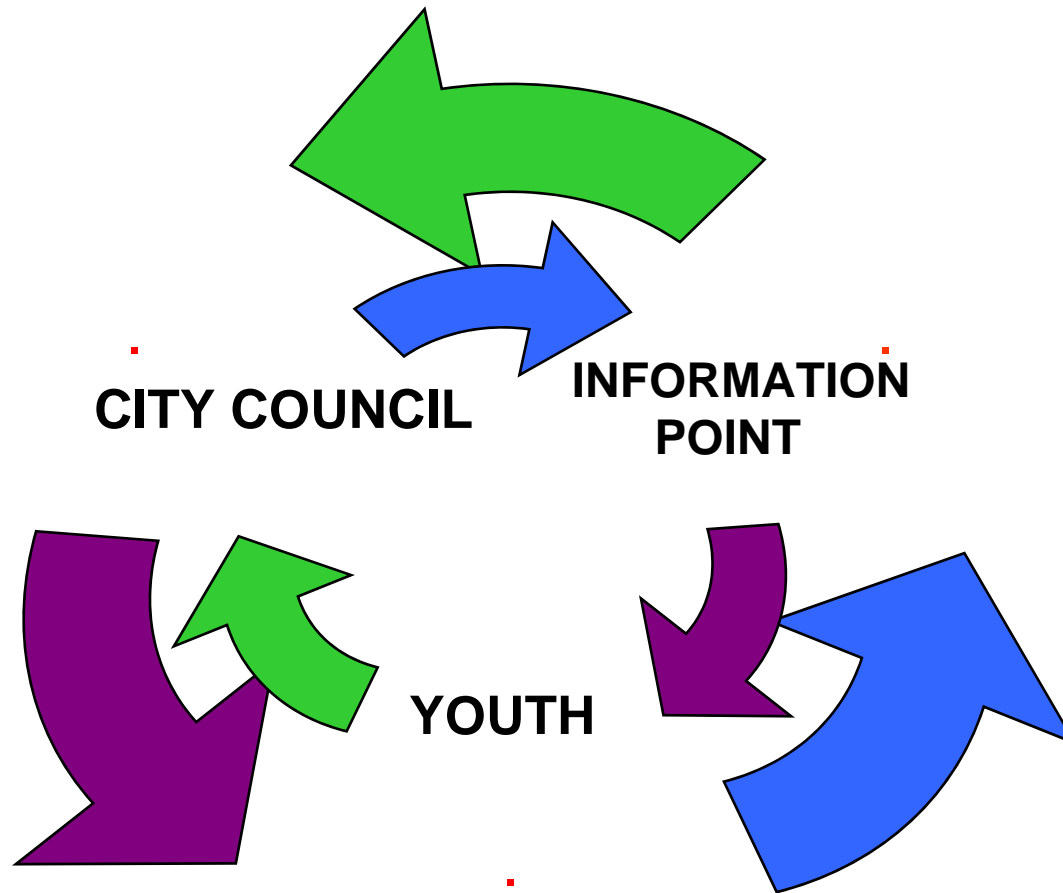

1. Enlarge and reinforce points'net
2. Adapt the new technologies
3. Foment the feedback from the points to the net
4. More participation of the associations, secondary schools, local services and other organizations
5. Inform transversally about all the municipal offer for youth people

OLD MODEL

NEW MODEL

NEW PIJ

They are information points that belong to a net promoted by the SIAJ and feedback by every point .

Is an structure that spread all over the municipality

Is and identified place where youth people can obtain information

Is a space where youth people can knew the resources and the places where they can come

PIJ'S TASKS

Coordination with the SIAJ

**Reception and diffusion of the information
by several channels**

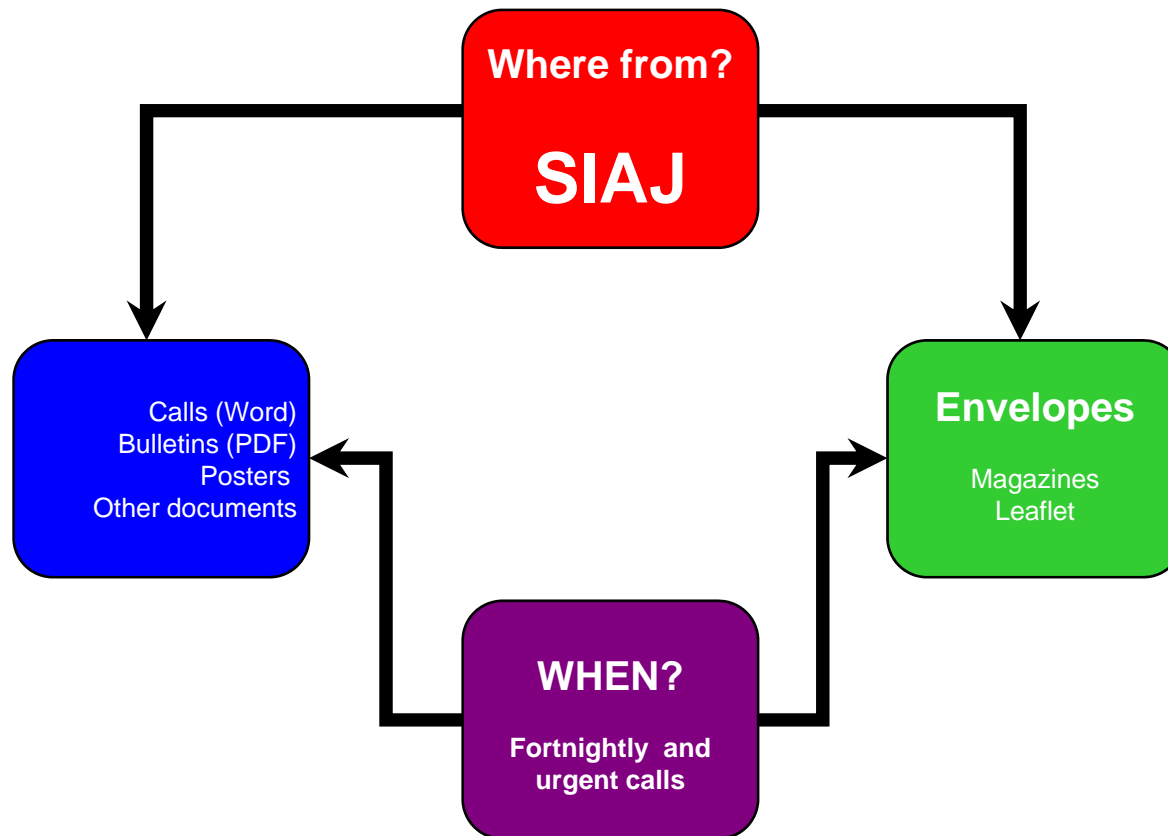

Actualization of the notice board

Net's feedback with own information

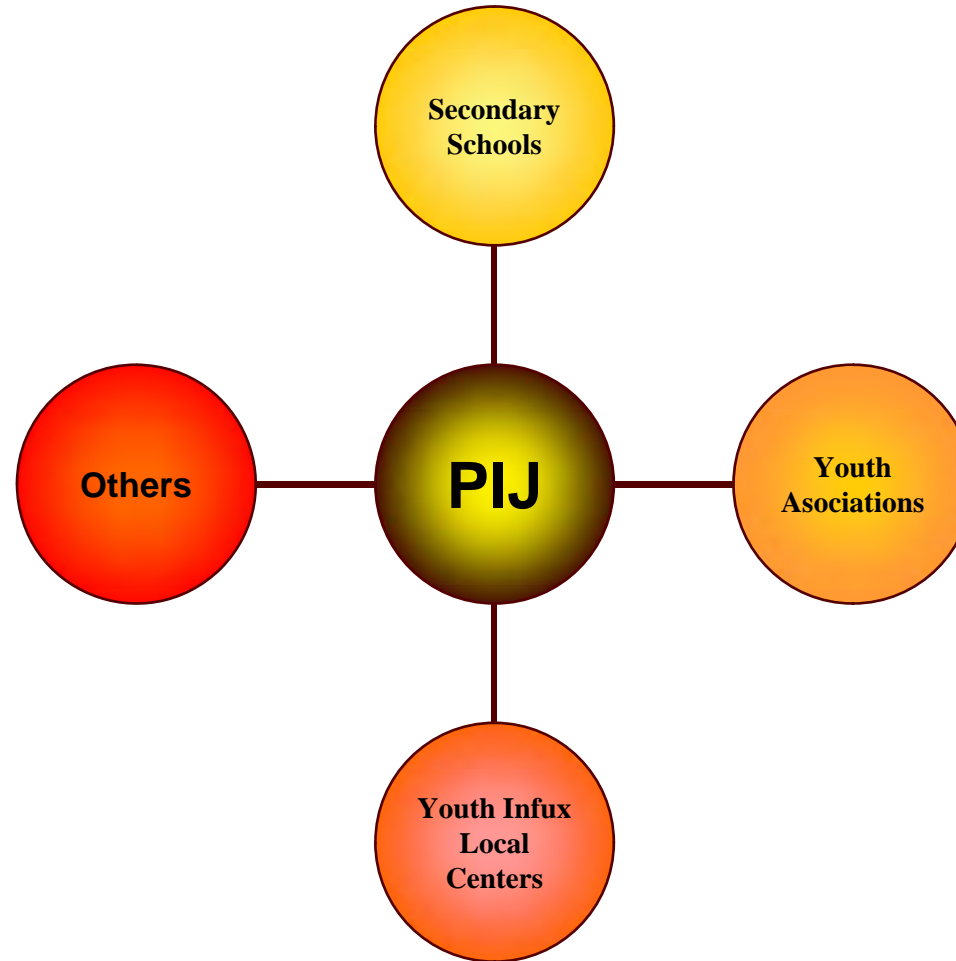

Use of new technologies

HOW WE TRANSMIT THE INFORMATION

WHO CAN BE A "PIJ"?

HOW TO BE A PIJ?

- 1. Make an application at SIAJ**
- 2. Attend to a basic initial formation**
- 3. Identify the PIJ with the image provided by the SIAJ**
- 4. Make the characteristic tasks of a PIJ**
